

SUPPLIER LIST

RARE BREED MEATS

The rare breed meat company in Essex is owned by people who aim to provide the very best meat from rare and traditional breeds. Their animals are reared in totally free range environments and fed only on natural foods that are free of any form of growth promoters etc. They specialize in Rare breed beef offering large selections of different pedigrees. Rare Breed Meats supply us with the very best lamb, beef and seasonal produce such as game.

MG AND SONS LONDON

Christophe from MG supplies us with our amazing fresh vegetables. MG and Sons is a family business based in New Covent Garden Market, London. The business was started by Michael Geaton over 45 years ago with a single barrow delivering to restaurants in Soho and Kings Cross. Currently MG and Sons is a major BRC Accredited Supplier in fresh fruit and vegetables from around the world to London and surrounding areas as well as some of London's best restaurants. Christophe provides an assured hand and wealth of experience in the world of fruit and vegetables.

WICKERS FISH

Established in 1985 with their sister company LG Wicker in Billingsgate. Wickers Fish provides quality fresh fish to a diverse range of customers including leading restaurants, prestigious hotels and caterers. Being based in Billingsgate allows Craig from Wickers to access the freshest seasonal fish for the restaurant. Our chefs work and train with the fishmongers and are taught a basic understanding of sea food and to recognize freshness and quality.
